DEPARTMENT OF FISHERIES AND OCEANS

ATLANTIC FISHERIES SERVICE

The directory of Atlantic Coast fishermen and fishing vessels lists those who participated in the domestic commercial fishery on the Atlantic in 1985, their fishing vessels and the limited entry fisheries to which they have access.

As in previous years, fishermen have been categorized as full-time or part-time based on their fishing activity and their dependence upon the fishery for their livelihood. This program is slightly different for inshore fishermen in the southern Gulf of St. Lawrence where fishermen have been categorized as bonafide or commercial. The categorization process has not yet commenced in the Province of Quebec but should be completed in 1986.

The data provides an accurate summary of 1985 licensing files, but are subject to change without notice as fishermen retire or leave the commercial fishery and vessels are replaced or transferred.

MINISTÈRE DES PÊCHES ET DES OCÉANS

SERVICE DES PÊCHES DE L'ATLANTIQUE

L'Annuaire des permis de pêche de l'Atlantique contient la liste des pêcheurs qui ont participé à la pêche commerciale canadienne dans l'Atlantique en 1985, de même que le nom de leur bateau et les pêches à accès limité qui leur étaient accessibles.

Comme par les années passées, les pêcheurs ont été répartis en pêcheurs à temps plein ou à temps partiel en fonction de leurs activités et de leur dépendance envers la pêche comme moyen d'existence. Le programme diffère légèrement dans le cas des pêcheurs côtiers de la partie sud du golfe Saint-Laurent qui ont été placés dans la catégorie des pêcheurs bonafide ou commerciale. Le processus de catégorisation n'a pas encore débuté dans la province de Québec mais il devrait être terminé en 1986.

Les données résument de façon exacte les dossiers de délivrance de permis de 1985, mais elles peuvent être modifiées sans préavis suite à la retraite de pêcheurs ou à leur abandon de l'activité, et au remplacement ou au transfert de bateaux.

W.A. Rowat
Assistant Deputy Minister
Atlantic Fisheries Service

DIRECTORY GUIDE FOR LIMITED ENTRY LICENCE CODES

The limited entry licence profile provides the reader with a two character code. The first character indicates the species and the second character indicates the gear type EXCEPT in the cases of shrimp and lobster or scallop in which cases the second character indicates the area fished.

GUIDE DES CODES DES PERMIS DE PÊCHES RESTREINTES

Cet aperçu des permis de pêches restreintes offrent au lecteur des codes à deux caractères. Le premier caractère fait référence à l'espèce, tandis que le deuxième indique le type d'agrès de pêches, SAUF dans le cas de la crevette, du homard ou du pétoncle ou le deuxième caractère représente alors la zone de pêche.
